Subject: Planned Name Change

Dear Customers,

In 2016, McCain became part of the [SWARCO group](#), joining forces with more than 80 member companies across the globe. As part of the SWARCO group, McCain has direct access to and already benefited from SWARCO's vast global network of intelligent transportation solutions and the brilliant minds behind them.

McCain Inc. will be transitioning to the legal name SWARCO McCain Inc. before the end of 2022. We will maintain the same tax ID number and address and the same great products and solutions serviced by the same dedicated team of people. The website, emails, product brochures, business cards and letterhead will be re-branded as SWARCO, but our approved and qualified products will retain the name McCain. We are excited about introducing the new brand and officially announcing the name change during the ITS World Congress Meeting in September 2022.

We value your business and look forward to leveraging SWARCO's global brand while continuing to provide high-quality products and customer service in North America.

Please reach out if you have any additional questions.

Sincerely,

Carl McCollum
President/VP/CFO/ Corporate Officer
McCain, Inc.
